PTA

Planning is beginning for this year's Spring Fling. Come to PTA on the 6th at 6pm to help choose a theme

If you have yet to complete the fall festival survey, do so today.

The Box Top winner for January & February was Ms. Browning's class! Remember to clip those coupons!!!

Campbell Families,

What a great month. Parent-Teacher conferences were a great way to share with families why we enjoy working with your children. The Science Fair provided an example of our student's hard work and effort put in to action. Events such as this are one of the many reasons Campbell is such a fantastic community. Campbell continues to be a unique school which values collaborative opportunities to enhance the partnership between the school and its families. These are just some of the many ways you can be involved in your child's education. Take advantage of as many of these opportunities as possible

Our family engagement competition has ended and we are excited to share that it is so close that we will announce in the coming weeks our class winner. That class will get the opportunity to spend part of the afternoon with an active day participating in a variety of engaging undertakings outside of the classroom.

This coming week on March 8th will be Junior Achievement (JA). This program inspires and prepares young people to succeed in a global economy. JA also is another example of one of the many community partnerships Campbell has with outside businesses. KPGM Corporation will have a number of their auditors here that day to support in our student learning. We are excited about this day and hope you will check in with your student on Thursday to learn more about the big day.

Our Superintendent, Dr. Jason Glass, will moderate a panel discussion from 6-8:30 p.m. on Tuesday, March 20, at Lakewood High School alongside school security staff, local law enforcement, and other community partners. They will share information on how we all work together on school safety. Attendees will also have an opportunity to ask questions and discuss issues. You can also find out more about happenings in Jeffco by visiting: <http://jeffcopublicschools.org/about/generations> which explains in great detail the District's vision.

As always, thank you for everything that you do for your child and our school! If you have any questions, feedback or compliments, don't hesitate to give me a call or send me an email at rstadler@jeffco.k12.co.us.

Important Announcements/Reminders

- **The Campbell App:** If you have yet to get the Campbell App, now is the time. You can report absences, contact teachers, and access the school calendar
- **Yearbooks:** Campbell yearbooks are available for order at www.treering.com/validate Use passcode: 1014159136033101
- **ERD:** Early Release days have a noon dismissal. They also all have \$1 hat days.
- **Hug & Go:** A huge thank you to all our families as they make the morning and afternoon commute. We realize this can be a tight window for student drop-off and pick-up but know it takes less than 6 minutes to get in and out of the parking lot. Your patience is needed and appreciated as student safety is our #1 concern during this time.
