Student Celebrations

Congratulations again to our Science Fair division winners: Hayden Hackett, Leena Hines, Konrad Hartwell-Olson, Fiona Stone, Gabby Cornejdo, and Kayla Mattson.

We also want to honor students who participated in the District Art Show: Charlie Durant, Elliana Landrum, JD Minor, Alecia Rose, Opal Scofield, Skylie Sutton, Carly Triplet, Katie Weber.

Campbell Families,

February was fantastic for having our families spend time at Campbell. Between Science Fair, Watch D.O.G.S., and Parent Teacher Conferences, a great deal of interactions occurred that demonstrate to students how much we all work together and value their education.

Our annual Talent Show is this month. It is so exciting to see students in their element. It will take place the day before spring break at 1:00pm. This is also the same day for Junior Achievement (JA). This year, employees from Maxar Technology, based in Westminster, will be at Campbell sharing with and teaching students. Maxar partners with NASA and uses satellite technology to survey areas of the Earth. The focus of the program is to inspire young people to succeed by helping them understand the importance that education plays in their future success. JA is another community partnership that Campbell Elementary engages with.

You may have already heard that Campbell raised over $1500 for Pennies for Patients. That money will go to the Leukemia and Lymphoma Society. Ms. Malzahn's class was our top winner, raising over $300. Campbell students also raised $380.59 for The Kids Heart Challenge. Our top fundraiser was Joey Magana from Ms. Kardys 1st grade class with $102.86. Through this program, kids had fun with jump ropes, learned how to stay healthy and make a difference in the lives of others.

At Campbell, all classrooms use a social emotional curriculum called Kindness in the Classroom®. It is a pro-social approach to teaching students the skills needed to better communicate and collaborate, advocate for themselves and actively call out positive behavior and actions when they see it happening. Kindness in the Classroom includes 6 kindness concepts focusing on responsibility, respect, caring, inclusiveness, integrity, and courage. Right now, many classrooms are focusing on integrity. Ask your student about ways they show integrity at school and home, as we know that social emotional learning is just as important as academic.

As always, thank you for everything that you do for your child and our school! If you have any questions, feedback or compliments, don’t hesitate to give me a call at 303-982-1440 or send me an email at ryan.stadler@jeffco.k12.co.us.

Warm Regards,
Ryan Stadler

Important Announcements/Reminders

- **Cougar Clubs:** Our spring session will be starting the last week of the month. More info will come home in Friday folders.
- **CMAS Testing:** 3rd through 5th grade students will be testing during the month of April. Teachers have sent home specific times for your child’s assessments. Kids want their own headphones for testing and a good breakfast.
- **Mileage Club:** We are still looking for parent volunteers [https://www.signupgenius.com/go/30e0c4da8ac28aaf0d0-spring](https://www.signupgenius.com/go/30e0c4da8ac28aaf0d0-spring)
- **No School:** As you have seen recently, Jeffco has cancelled on school on March 19th. This will be a non-student contact day for the entire district.
- **Dr. Seuss Week:** We will have a spirit day every day this week to honor Dr. Seuss’ birthday. The individual days are noted on the calendar on the back or you can access our school website.
